John Schwartz
Green Mountain Corporation
19501 S Santa Fe Ave., Suite 116
Compton, CA 90221

Green Mountain has supplied fuel and lubricants on various projects through state of California these last few years. John has recently helped us contract site security for one of our projects. Green Mountain's service is second to none. John is very responsive and has always made us feel like we are his number one client. It has been a pleasure to work with Green Mountain and we look forward to more years of working together.
